READ—

Letter No. C. 170—44-45, dated the 9th November 1944, from the President, District Board, Shimoga, forwarding a copy of the resolution of the Health Committee of the Board requesting sanction for the establishment of a Health Unit at Sowlanga, Honnali Taluk.

2. Correspondence ending with letter No. B. M. 478, dated the 6th October 1945, from the Director of Public Health submitting proposals for the establishment of a Health Unit at Sowlanga.

ORDER NO. M. 10379-89—P. H. 89-44-6, DATED BANGALORE, THE 25TH MARCH 1946.

The President of the District Board, Shimoga, forwarded a copy of the resolution of the Health Committee of the Board requesting sanction for the establishment of a Health Unit at Sowlanga, Honnali Taluk, as the villages round about were in the irrigated channel area and malaria was prevalent in those villages throughout the year. The Director of Public Health, who was consulted in the matter, reported that as a result of a Malaria Survey of the villages round about Sowlanga within a radius of four miles it was found that the villages in the area are situated under semi-malnad conditions with channel irrigation and that the conditions in the area were so bad that the establishment of a Health Unit at the place was an urgent necessity. He has, therefore, submitted proposals for the establishment of a Health Unit at Sowlanga to serve a group of 38 villages in the area at a cost of about Rs. 18,895 or Rs. 19,000 in round figures.

Government are pleased to sanction the proposal of the Director of Public Health for the formation of the Health Unit at Sowlanga, Honnali Taluk, with certain modifications in the suggested scales of pay and allowances in order to bring them into line with those allowed in other units at a total cost of about Rs. 17,638 (Rupees seventeen thousand six hundred and thirty-eight only) for a period of three years in the first instance. The expenditure during the current year will be met out of the sanctioned grants of the department by reappropriation, if necessary, and necessary provision will be made in future budgets.
